

Family owned since 1997

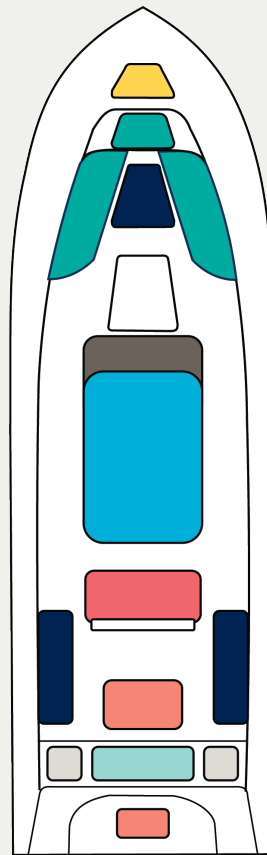

Let's build it together.

No two anglers are exactly alike. So, at Young Boats, we never build the same boat twice. We invite our customers into the process, offering an unmatched build experience. We customize each boat according to our clients' unique needs, wants, and dreams, ultimately giving them the pride of owning a true one-of-a-kind vessel.

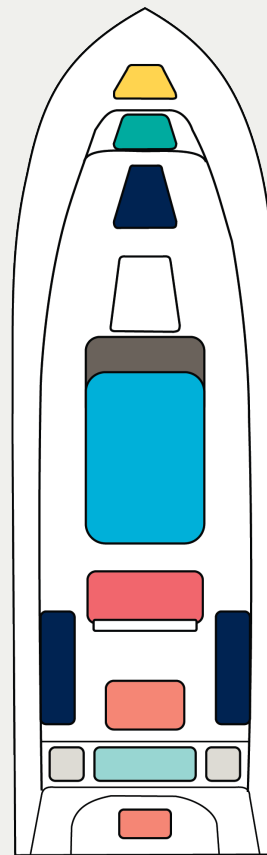

The **Young 27** offers versatility with different layouts. Choose from options like:

- Hard Top, Crow's Nest, or Half Tower setups
- Trolling Motor, Jackplate, and Power Pole packages
- Large Forward Seating or Coffin Box configurations
- Upholstery & Gelcoat color options
- Polycarbonate, Fixed Glass, or Isinglass wind protection
- Removable Shade Systems and Enclosed Heads
- Dive Pass Thru and Forward Removable Table

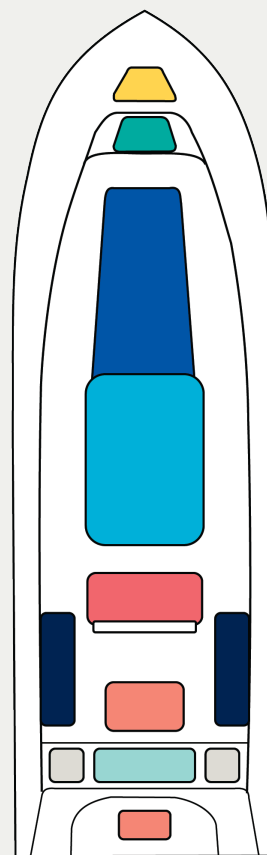

To learn more, contact us at sales@youngboats.com or **(352) 447-1330** to talk to a boat specialist.

Open minds. Open waters. Let's build it together.

Young27

Open minds. Open waters.

As a family business, Young Boats treats clients like family—never taking shortcuts, always paying meticulous attention to detail. We build trust by building—without compromise—beautiful, customized, best-in-class fishing boats for anglers who are as passionate as we are.

Our flagship line, *The Young Collection* is where it all began. These high-performance boats are built to look as good as they fish. Every part is molded, with no seams, for a high-gloss finish. Offering true offshore capabilities, these vessels can also get shallow without sacrificing a smooth ride. This line is a great choice for serious and hobbyist anglers who also enjoy family outings on the water.

The *Young 27* is a cutting-edge hybrid fishing machine that can venture miles offshore while still running comfortably across bays and shallow flats, drafting just 17 inches. Whether fishing for grouper, sailfish, redfish, or snook, the angler can still fish and run a trolling motor in less than 2 feet of water.

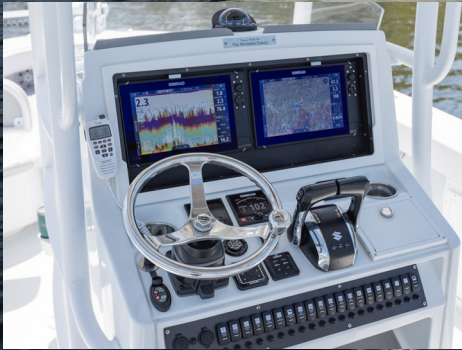

Watch the *Young 27* in action as seen on Mission Boating

Specifications

Deadrise {@ transom} 20 degrees	Gunwale Width 10"	Recommend HP Range 400-600hp

“When I visited Young Boats for the first time, it felt like I was part of a family. The quality and workmanship of their custom boat building is truly amazing. My Young 27 has surpassed all my expectations. Its ability to take on the big blue water with the comfort of a much larger boat is jaw dropping.” — Daniel DeLaTorre, Repeat Customer
