

Family owned since 1997

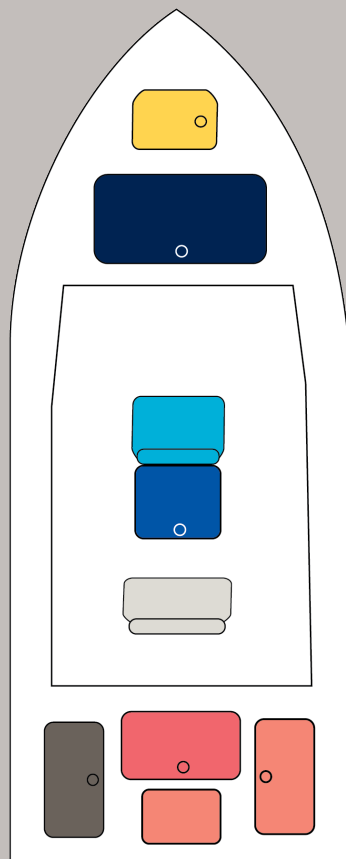

Let's build it together.

No two anglers are exactly alike. So, at **Young Boats**, we never build the same boat twice. We invite our customers into the process, offering an unmatched build experience. We customize each boat according to our clients' unique needs, wants, and dreams, ultimately giving them the pride of owning a true one-of-a-kind vessel.

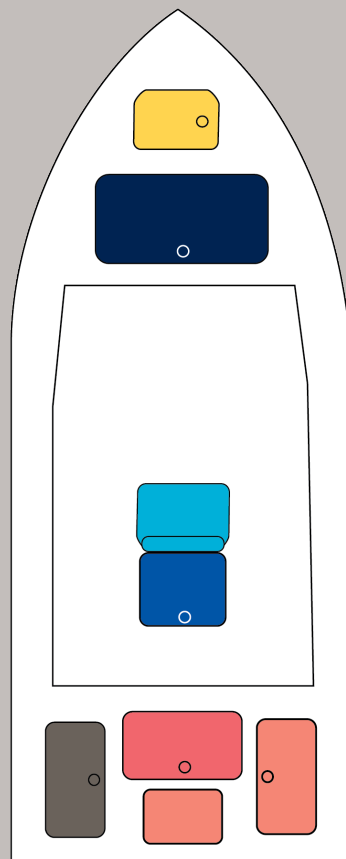

The **GulfShore 20** offers flexibility with custom layouts. Choose from options like:

- Trolling Motor and Power Pole Packages
- Stereo and Electronics Packages
- Center and Rear Elevated Layouts
- Custom Poling Platform and Casting Platform Configurations
- Bimini and Shade Options
- Removable Coolers with Backrests
- Upholstery and Gelcoat Colors

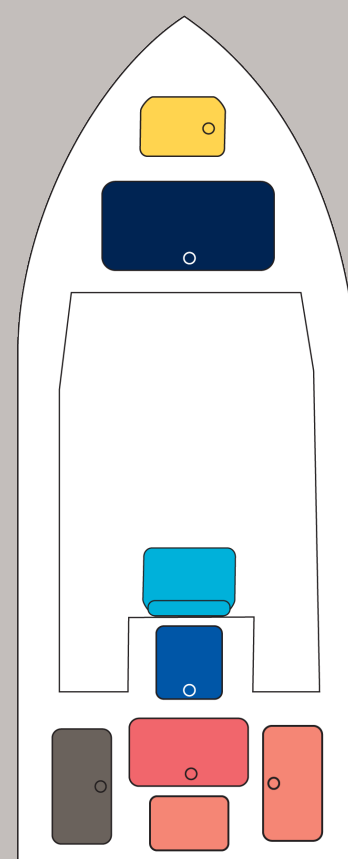

To learn more, contact us at sales@youngboats.com or **(352) 447-1330** to talk to a boat specialist.

Center Console with leaning post

Center Console without leaning post

- Rigging
- Insulated FishBox
- Cooler Seating
- Bilge Access
- Release Well
- Leaning post

Open minds. Open waters. Let's build it together.

GULFSHORE20

Open minds. Open waters.

As a family business, **Young Boats** treats clients like family—never taking shortcuts, always paying meticulous attention to detail. We build trust by building—without compromise—beautiful, customized, best-in-class fishing boats for anglers who are as passionate as we are.

Our most customizable line, The GulfShore Collection is the choice of hardcore anglers and guides who value function over a glossy finish. The hull is created from a series of modular molds that receive a cost-effective spray at the end of the build, producing a smooth, matte finish. The inside is essentially a blank slate that can be set up for exactly how you want to fish.

The **GulfShore 20** is the result of years of feedback from local guides and dedicated shallow-water anglers. Built on our proven 20-foot hull, this model features an optional specialized tunnel, a full transom, and lower-profile sides—delivering exceptional performance in extremely shallow water while maintaining impressive rough-water capabilities.

	Gunwale Width 10'5"	

“I have used my GulfShore 20 for the past 15 years fishing inshore and near shore on the Gulf of Mexico and upper East coast of Florida for Tarpon and Redfish. I have pulled the boat to Gulfport Mississippi to fish for monster wintertime Reds. I have fished the creeks and bays near Waccasassa, the Tampa Bay Area, Chokoloskee down to the Everglades, and out to the Marquesa Island west of Key West. This boat has done it all and done it well. .”
— Allen Brasington, Repeat Customer for over 15 years
