

Family owned since 1997

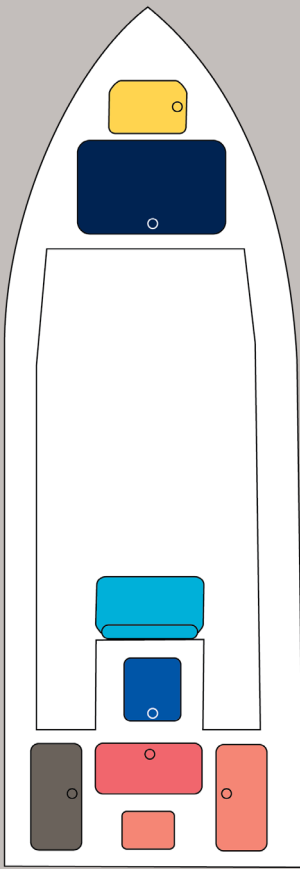

Let’s build it together.

No two anglers are exactly alike. So, at **Young Boats**, we never build the same boat twice. We invite our customers into the process, offering an unmatched build experience. We customize each boat according to our clients’ unique needs, wants, and dreams, ultimately giving them the pride of owning a true one-of-a-kind vessel.

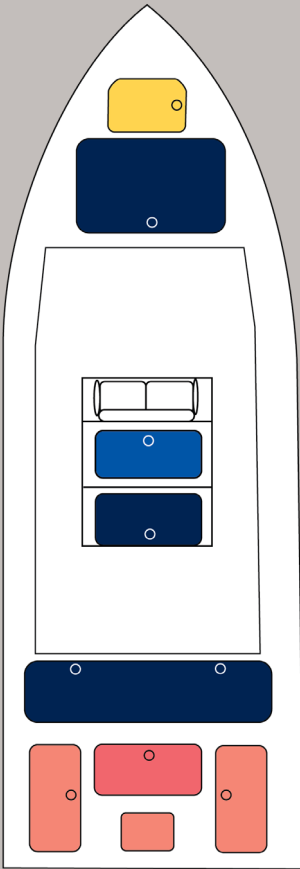

The **GulfShore 22** offers flexibility with custom layouts. Choose from options like:

- Trolling Motor and Power Pole Packages
- Center and Rear Elevated Layouts
- Customizable Tower and Seat Configurations
- Bimini and Shade Options
- Tackle Station and Drawer Arrangements
- Cockpit, Spreader, and underwater lighting setups
- Upholstery and Gelcoat Colors

GULFSHORE22

Open minds. Open waters.

As a family business, **Young Boats** treats clients like family—never taking shortcuts, always paying meticulous attention to detail. We build trust by building—without compromise—beautiful, customized, best-in-class fishing boats for anglers who are as passionate as we are.

Our most customizable line, The GulfShore Collection is the choice of hardcore anglers and guides who value function over a glossy finish. The hull is created from a series of modular molds that receive a cost-effective spray at the end of the build, producing a smooth, matte finish. The inside is essentially a blank slate that can be set up for exactly how you want to fish.

The **GulfShore 22** is the ideal choice for anglers looking to chase redfish in the shallows and target grouper offshore—all in the same day. Built on the proven GulfShore 20 tunnel hull, this model adds over two feet in length and higher sides for enhanced versatility and stability. The elevated helm provides superior visibility, while ample bait and storage space ensure you’re always prepared for the next catch.

“I spend nearly every day of the year on my Young GulfShore 22. It is the perfect boat for inshore fishing in the shallow creeks and the most comfortable ride when running 20 miles offshore for reef fishing.”

— Capt. Katie Jo Davis , Full-time Fishing Guide
