

Family owned since 1997

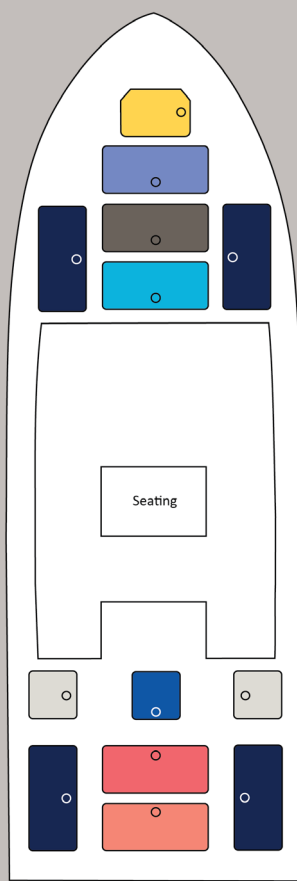

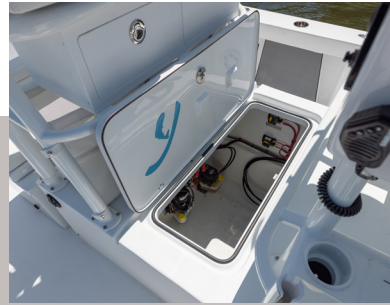

Let’s build it together.

No two anglers are exactly alike. So, at **Young Boats**, we never build the same boat twice. We invite our customers into the process, offering an unmatched build experience. We customize each boat according to our clients’ unique needs, wants, and dreams, ultimately giving them the pride of owning a true one-of-a-kind vessel.

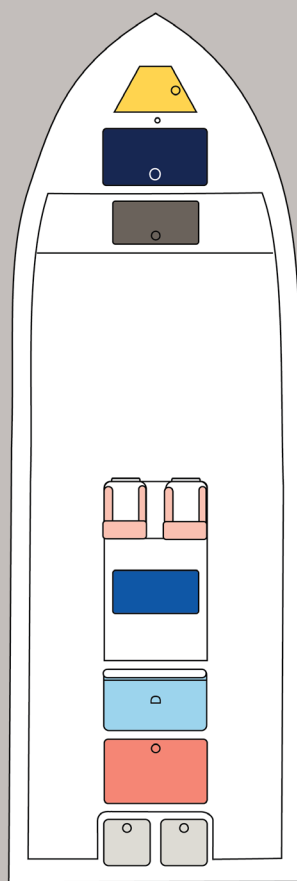

The **GulfShore 24 HighSide** offers flexibility with custom layouts. Choose from options like:

- Center and Rear Elevated Layouts
- Customizable Tower and Seat Configurations
- Bimini, Buggy Top, and Shade Options
- Different Livewell and Cooler Setups
- Tackle Station and Drawer Arrangements
- Cockpit, Spreader, and underwater lighting setups
- Upholstery and Gelcoat Colors

the **GulfShore 24HS**

Open minds. Open waters.

As a family business, **Young Boats** treats clients like family—never taking shortcuts, always paying meticulous attention to detail. We build trust by building—without compromise—beautiful, customized, best-in-class fishing boats for anglers who are as passionate as we are.

Our most customizable line, The GulfShore Collection is the choice of hardcore anglers and guides who value function over a glossy finish. The hull is created from a series of modular molds that receive a cost-effective spray at the end of the build, producing a smooth, matte finish. The inside is essentially a blank slate that can be set up for exactly how you want to fish.

The **GulfShore 24 HighSide** builds upon the proven design of the GulfShore 24, featuring higher gunnels and a wider beam for enhanced offshore capabilities while maintaining the shallow draft that allows it to access the same skinny waters as its smaller counterpart. With an expanded 6-inch wider beam, this model offers an incredibly versatile and spacious 24-foot platform, making it an ideal choice for customization. Whether you prefer an open deck layout for maximum fishing space or additional seating for family and friends, the **GulfShore 24 HighSide** provides endless configuration options. With room to accommodate up to eight people, it's designed to transition seamlessly from targeting trout and redfish in the morning to heading offshore for grouper in the afternoon—a true do-it-all fishing machine.

“ Gulfshore24 HighSide effortlessly navigates one of the most versatile fisheries in the world, running shallow with ease for catching bait and heading offshore when the bite is out front. No matter the conditions, this boat gives me the confidence to fish anywhere, from the flats to the deep blue.”
