

Family owned since 1997

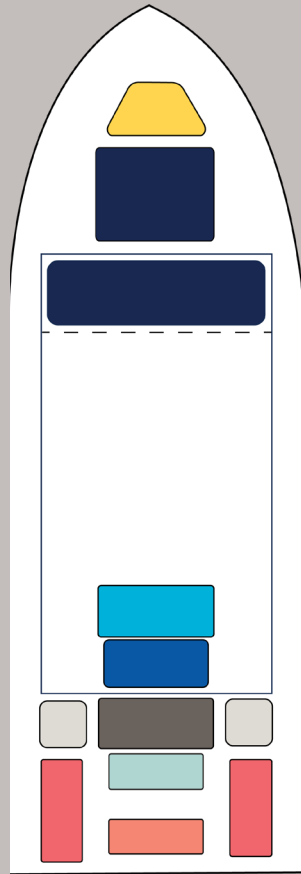

Let’s build it together.

No two anglers are exactly alike. So, at **Young Boats**, we never build the same boat twice. We invite our customers into the process, offering an unmatched build experience. We customize each boat according to our clients’ unique needs, wants, and dreams, ultimately giving them the pride of owning a true one-of-a-kind vessel.

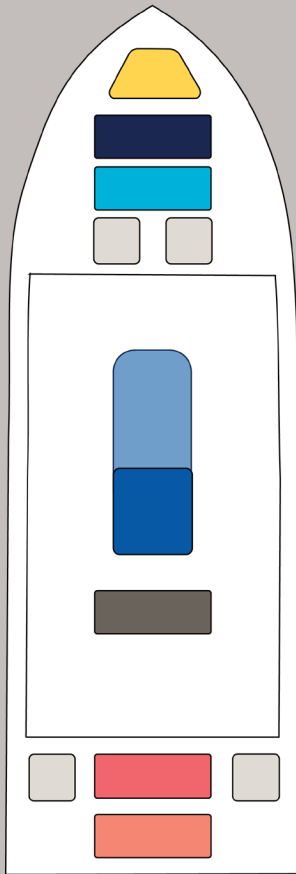

The **GulfShore 26** offers flexibility with custom layouts. Choose from options like:

- Center and Rear Elevated Layouts
- Customizable Tower and Seat Configurations
- Bimini, Buggy Top, and Shade Options
- Different Livewell and Cooler Setups
- Tackle Station and Drawer Arrangements
- Cockpit, Spreader, and Underwater Lighting Setups
- Upholstery and Gelcoat Colors

As a family business, **Young Boats** treats clients like family—never taking shortcuts, always paying meticulous attention to detail. We build trust by building—without compromise—beautiful, customized, best-in-class fishing boats for anglers who are as passionate as we are.

Our most customizable line, The GulfShore Collection is the choice of hardcore anglers and guides who value function over a glossy finish. The hull is created from a series of modular molds that receive a cost-effective spray at the end of the build, producing a smooth, matte finish. The inside is essentially a blank slate that can be set up for exactly how you want to fish.

The **GulfShore 26** is the result of 25 years of innovation and refinement, built to meet the demands of serious and professional anglers. Designed for versatility, it delivers the capability to venture far offshore while still excelling in shallow waters-all without compromising a smooth, stable ride. With ample deck space, generous storage, and a layout optimized for both inshore precision and offshore endurance, the **GulfShore 26** is the ultimate fishing platform for those who refuse to be limited by water depth or conditions.
